## By the power of the Spirit

I ask you to join hands with me in "Going Forward Together" in fulfilling the Great Commission. Last week, while I was conducting a "five-service series" on the Holy Spirit, in a church at Kabega Park, Port Elizabeth, I became aware of the closeness of God's presence and a burning desire arose in my heart to focus my ministry on the Person and work of the Holy Spirit. At this time my desire was confirmed by a prophetic Word from God, as delivered by a man that was seated in the back pew. From that moment I knew that God was expanding my ministry dramatically to include teaching on the Holy Spirit and ministering to people regarding the baptism by the Holy Spirit.

With this in mind and in view of the changing times, let us work together in equipping the saints for service. Every Christian needs to understand and be filled with Holy Spirit Power.

We aspire to strengthen each person's confidence and joy in Jesus Christ - at every point in their life, and encourage personal and spiritual growth through prayer, Bible study and active service.

## 2010 - Dedicated to teaching on the Holy Spirit

***We are set on equipping you with Holy Spirit power for the changing times we live in.***

Life in this postmodern world is characterized by increasing autonomy, dependence upon a complex technological infrastructure and a dearth of meaningful relationships. Our culture has fractured the family and destroyed the ability of people to be committed to anything except their own personal peace and prosperity.

The early church, rightly understood and applied the Word of God, not just as another item on the intellectual and theological smorgasbord, but as a pointer to a Spirit filled life and worldview that meets the deepest human needs. In this changing world we as Christians are certainly never going to get the world to believe that or accept it, unless we actually live it by getting filled by the power of the Holy Spirit.

“The times, they are a changing” and lead by the Spirit of God we understand these times. Thus without sacrificing truth, **Nikos Ministry** is set on teaching the importance of the role of the Holy Spirit in the these postmodern, secularist times. This is perhaps the real underlying challenge for the church, namely, that it will present the Gospel to the world by the power of the Holy Spirit, in ways that will help people accept the message, without compromising the truth.

Sadly, Christians have not done well in this area. Too often, in order to be “relevant” we end up either abandoning the truth, or so reducing it that we offer little more than a panacea for personal stress.

At times it seems the world is upside down and like many others, I often ponder which way we are going. Yet, I take comfort in the power of the Holy Spirit. Even when all hell seems to be breaking loose, the Holy Spirit is still the guide for every believer and He is directing the course of all events that will eventually lead to Christ's return.

Times may change, but God is faithful. Steady your faith. Look up! In the midst of these changing times, be filled with Holy Spirit power and you will see that the Church still has a glorious hour!

***Act 1:8 But ye shall receive power, when the Holy Spirit is come upon you: and ye shall be my witnesses both in Jerusalem, and in all Judea and Samaria, and unto the uttermost part of the earth.***

### INVITE DR JAN

No matter where you are based, if you are interested in having Dr Jan speak to your organisation, church, ministry or convention, please visit our webpage at [www.nikosministry.co.za](http://www.nikosministry.co.za) and submit the contact form or call him at 0823267447.

His scheduling policy is very simple. He goes wherever the Lord opens a door, by invitation. He will gladly come to any church or event, without respect to size or location.

His financial policy is very simple. While he never makes any financial demands, it is customary that the inviting church provide travel expenses and lodging for him and his wife, should she accompany him.

Wise and considerate pastors understand the needs of an evangelist, and will lead their financial board and members to give a worthy donation. When given the opportunity to give, God's people will always come through.
